GLOBAL PARTNERSHIP

Emmanuel United Church has been deeply enriched by its twenty-nine year partnership with Iglesia Bautista Emmanuel (Emmanuel Baptist Church) in San Salvador giving 90+ members opportunities to learn about the issues facing Salvadoran people. Emmanuel has been exploring similar partnerships in Africa, and since 2011/12, in memory of Iain Beaudoin, we are partnering with the Ottawa legal community and the People's Action Forum of Zambia to build a two-room school in a village in Munenga, Zambia. Working side-by-side with our partners in El Salvador and Zambia, we help make a difference by constructing houses for the impoverished and schools for those who have no access to education and building leaders and strong sustainable communities for today and the future. Please join us in the pursuit of justice.
