

***Dear sisters and brothers,
Emmanuel United Church,
Ottawa , Ont., Canada.***

Greetings in this New Year!!,

Yesterday, 23rd, we closed our First Week of Prayer, each day include a theme regarding The Church Mission, we feel like we haven't finish praying, also we feel like we haven't finish reflecting; both are moments that enrich our spirituality, that is why , we take a time to pray and reflect before to go to the duties as a Church of Christ in this New Year.

We include in our prayers, our sister church Emmanuel United Church, praying for your ministries, your pastors, each family, and everyone in Emmanuel United Church.

We want to express our love and gratitude to you for your generous solidarity with our ministry.

May The Love, The Grace and the presence of the Holy Spirit sustain all your life as a church and your ministry.

On Behalf Iglesia Bautista Emmanuel,
